Tables

Member name	PCP name	PCP ID
John Smith	Drennan, Peter	AA559712

Table Headers use Avenir 15px heavy. There is 10px padding on the left side of every column between the text and the vertical divider. Interior Table Text is Avenir 16px Light.

1px Border Beige Color.

Header Cells are 35px tall (unless long headers that wrap are used) Beige Color.

13px Top and 13px Bottom Padding inside cells.

Header cells that contain links should be Link-Blue and Underlined.

Buttons used within tables are the small button style and contain the 15px spacing on the left and right side of the button text inside the button.

Table columns do not have a strict size and tables are responsive based on the content within them.

First version below is with custom padding for the Apple Wallet.

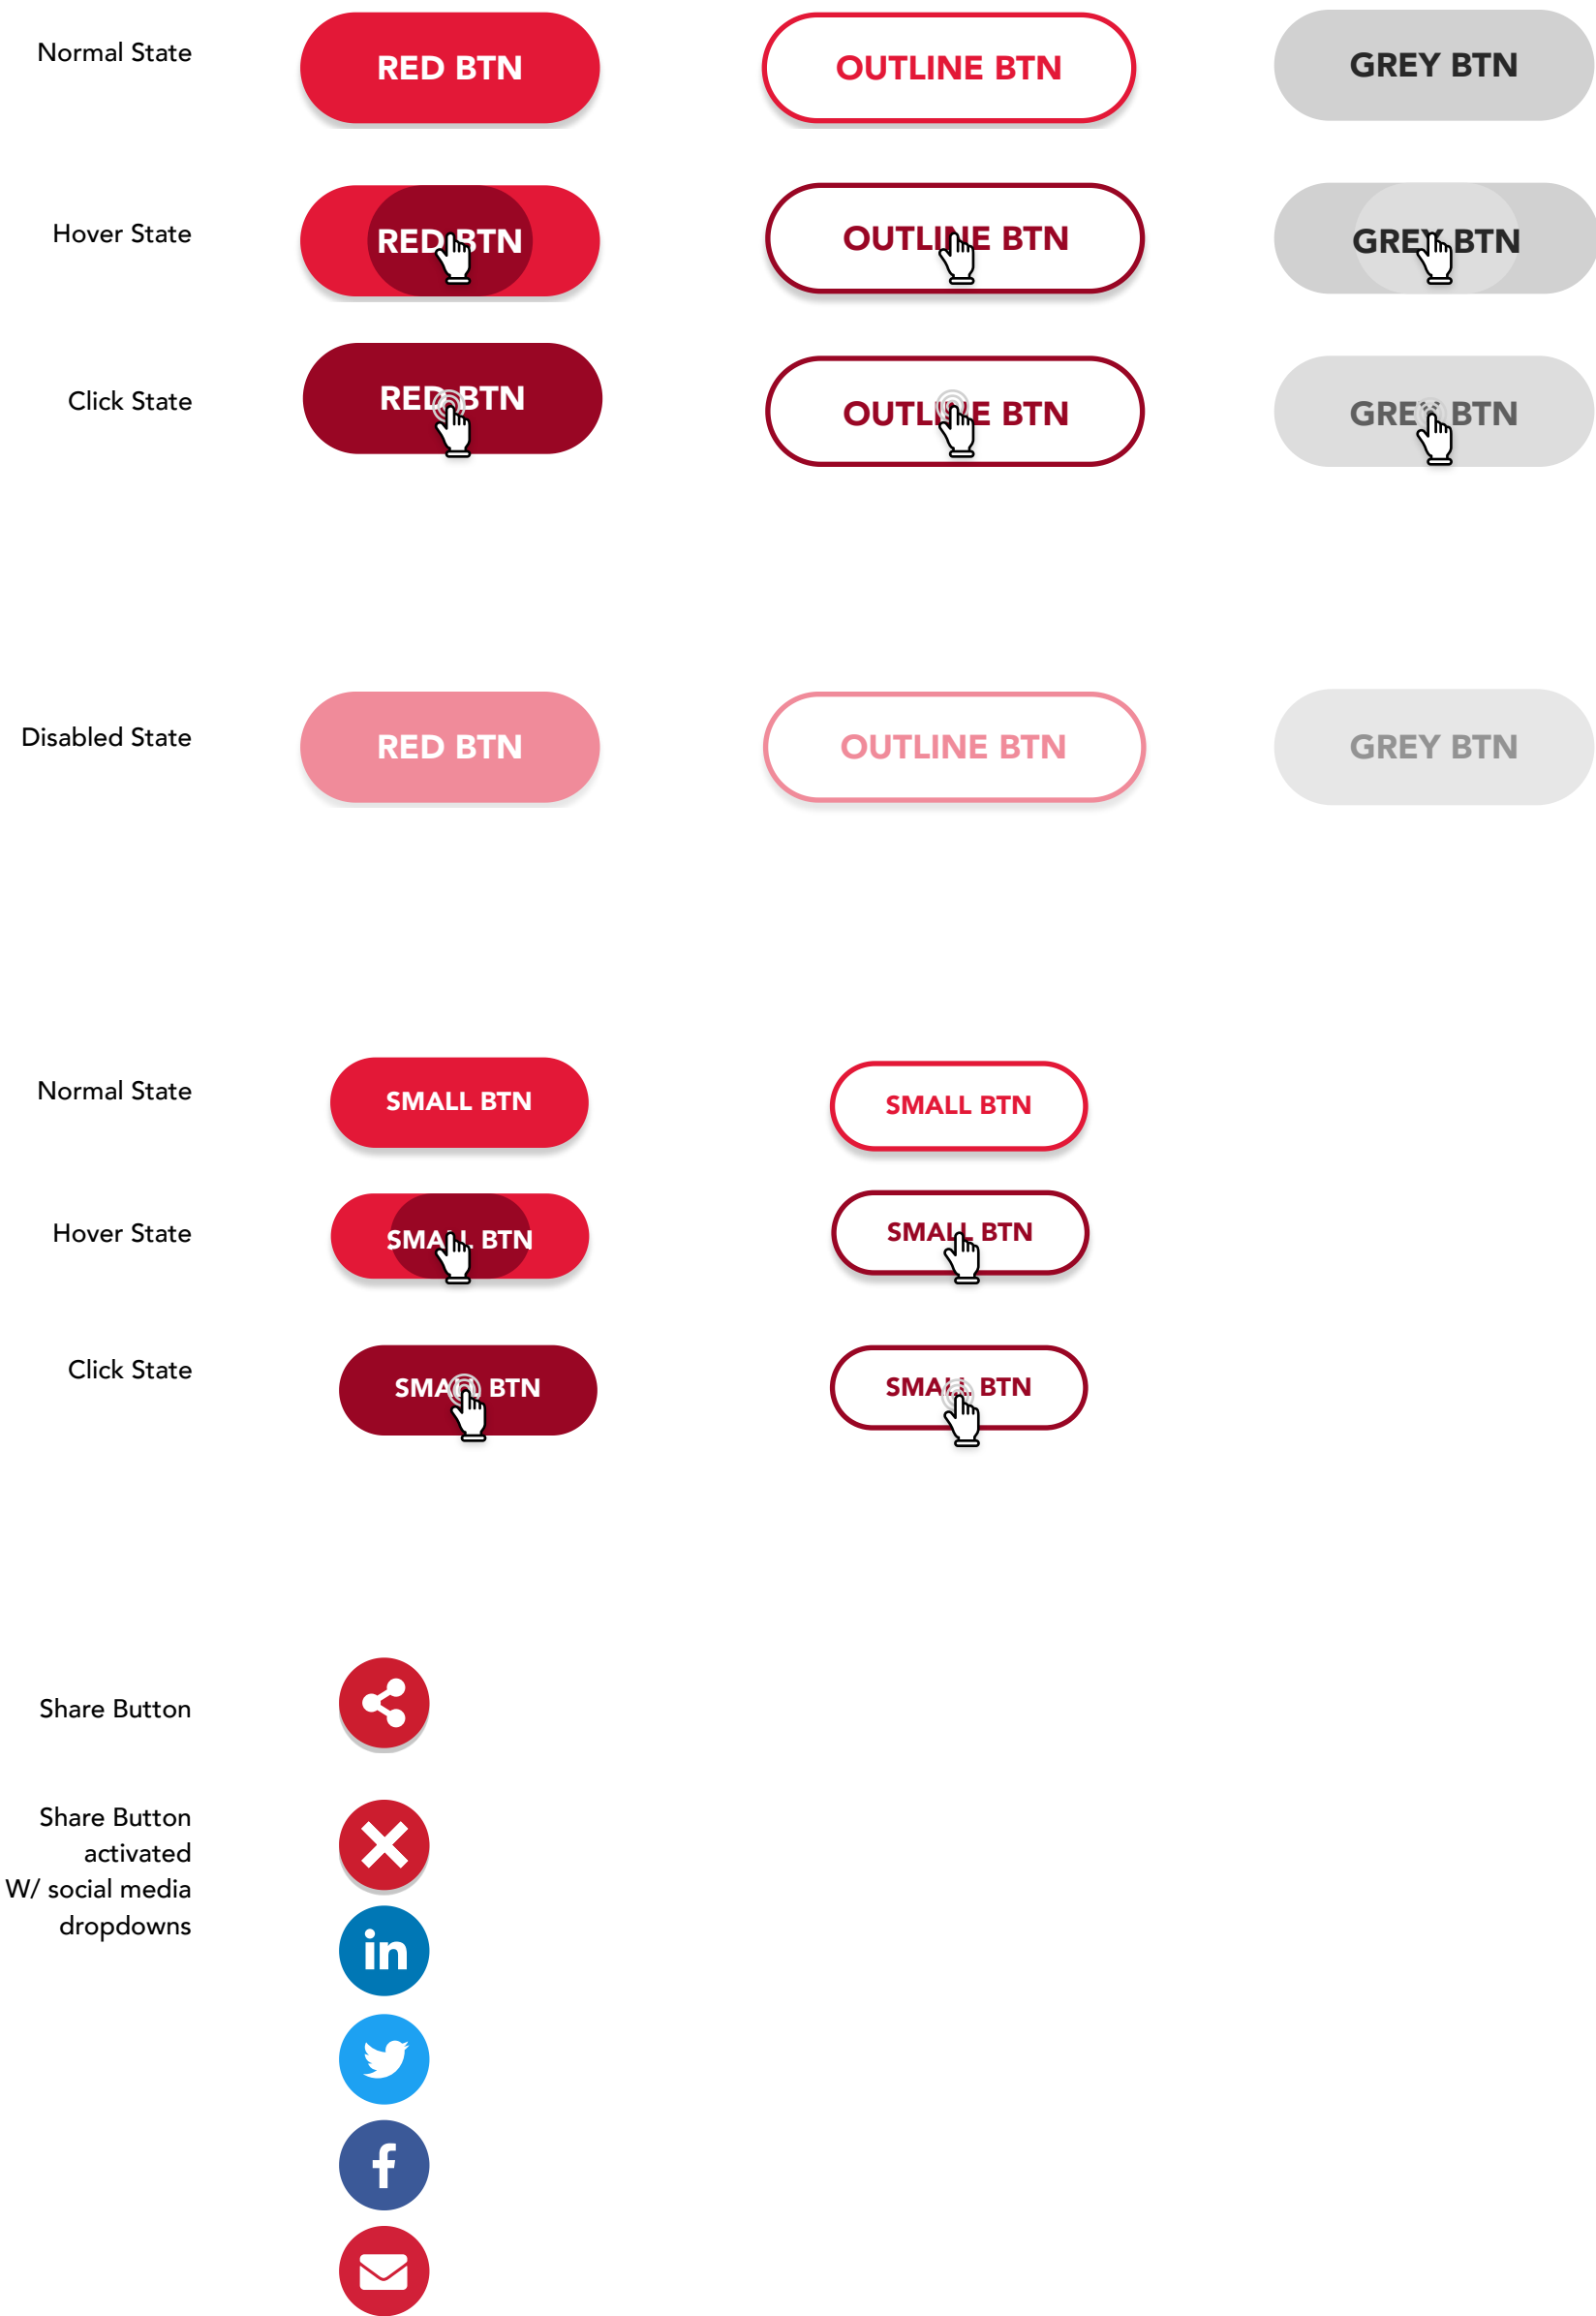

Second Version takes into account the apple wallet image stretching the other cells if padding can not be custom for this column.

Buttons

Large Buttons have 30px padding on left and right side. Avenir 13px Black all caps.

On Hover the color would change from the center and grow to fill the entire button. The click state loses the drop-shadow.

Small Buttons have 15px padding on left and right side. Avenir 10px Black all caps.

Accordions use the Header 4 style and should contain 30px above and below their content.

Between accordion rows there should be 20px of space.

The form outlined here uses Header 6 as label text. There should be 10px of space between the header and the form item. The interior form placeholder text uses size 14px Avenir Light with the Medium Grey color.
