"Culture is dynamic; multifaceted; embedded in context; influenced by social, economic, and political factors; created and socially constructed; learned; and dialectical."

Nieto (1999)

Study: Diversity Enhances Education

Diversity's Positive Impact

Students who attended a college with a more diverse student population increased their:

- Retention
- Overall college satisfaction
- Intellectual self-confidence
- Social self-confidence

Chang, M. J. (1999a). Does racial diversity matter?: The educational impact of a racially diverse undergraduate population. *Journal of College Student Development*, 40(4), 377-395.

Creativity Has Been Used To Promote diversity

Affirmative Action and Diversity

States have started to ban affirmative action, as it is a form of “reverse discrimination”

Americans have mixed feelings about the efficacy of this process

Acceptance of diversity remains an issue in our society

Affirmative Action and Diversity

States have started to ban affirmative action, as it is a form of “reverse discrimination”

Americans have mixed feelings about the efficacy of this process

This process has been questioned as to how it benefits collegiate diversity

Acceptance of diversity remains an issue in our society

Quiñones, Eric.
Ending affirmative action would devastate most minority college enrollment. 6 Jun 2005. Accessed 20 Apr 2009.
